

SOME FACTS ABOUT THE Y. M. C. A. AND THE SPLENDID WORK FOR WHICH IT IS NOW ENGAGED IN RAISING FUNDS FOR YEAR

One year ago this active organization had about 400 members who enjoyed what privileges were at hand and with what few funds were available.

When the canvass for funds were made at that time, the prophecy was made that a swimming pool would be constructed that would be a credit to the city and meet a great need for the men and boys of the community. Immediately after the canvass was finished work began and the excavation was made out of solid rock by volunteer service.

These volunteers included the Mayor, Ministers, Business Men, Superintendent of Mines, Miners and boys who stuck to their jobs until the last shovel of muck was thrown out.

This splendid improvement was financed by Mr. Notman, the Copper Queen Mining Company generously assuming a goodly share of the responsibility, and was added to the privileges of membership without extra charge. The Board of Directors not only fulfilled their promise, but they are now rendering a valuable service to the city by permitting every white boy in Bisbee to swim, whether he is a member of the association or not.

During the year 873 different men and boys have been members of the association and made use of its privileges.

The present membership is 622. Of this number nearly 400 are miners as against 65 miners of one year ago. During the year 583 different and actual miners have been members of and used the privileges of the Y. M. C. A., which shows the rapid shifting of that part of our membership.

The boys department has grown in one year from a membership of 20 to 83 and are well organized in social

GENTRY BROTHERS' FIRE FIGHTERS ARE WISE OLD MONKEYS

MONKEY RAILROAD AND FIRE DEPARTMENT ARE TWO OF MANY LAUGH MAKERS

After an absence of several years Gentry Bros. famous shows which are so well known and so well liked in this city, return to Lowell on Sunday, April 26th, for four performances, on the Lowell carnival grounds.

Next to Santa Claus comes the Gentry Bros. shows in the hearts and minds of the children, and to them, at least, this event will prove of more importance than any happening of the year.

There are many "grown-ups" for that matter, who enjoy themselves more at a Gentry performance than

"GETS-IT" for Corns!

It Will Startle You How "GETS-IT" Gets Corns Every Time.

corn pains and callouses are absolutely done for, from the minute you apply "GETS-IT." Forget the bother of useless plasters, greasy salves that spread and make toes sore and raw, little doughnut cotton rings that press on corns, forget knives, razors, scissors and the dangers of blood poison from drawing blood, and the contraptions and harnesses that simply make corns worse. "GETS-IT" never hurts the flesh, never fails.

they do at a bigger and more pretentious circus. Distinctly in a class by themselves, Gentry Bros., holds a warm spot in the hearts of all amusement lovers.

It is a high toned, moral and entertaining exhibition and appeals especially to ladies and children. This is the first visit to Bisbee and Lowell in several years of these world renowned shows and every citizen of the community should attend at least one of these four performances to be given here. One of the many big features to be seen will be a "monkey fire department," and another feature is the "monkey barber shop."

The big free street parade which is said to be the prettiest pageant ever seen on the public streets takes place Monday morning at 11 o'clock.

At one o'clock the doors will be opened for the first performance, which begins an hour later, and for nearly two hours thereafter an ever-changing kaleidoscope of novelties and entertaining features, too numerous to mention, will be presented. Another performance will be given at night, the doors opening at 7 o'clock, the performance beginning at 8 o'clock.

The same program will be presented on Monday. No street parade will be given Sunday.
